The Deadly Percheron: A Novel

Using convincing documentation of would-be-psychologist Unamuno's apprenticeship at the knee of the same turn-of-the-century romantic theorists that nurtured Jung, plus narratological glimpses into the ways that Unamuno thrusts his own authorial voice into the conflict-ridden discourse of both his narrators and characters, Jurkevich demonstrates how Unamuno's entire opus is a succession of attempts compellingly dramatized metafictional at tempts at liberating and unifying his personality via the word. The method which has reached Technology Readiness Level 6 already, is currently being successfully tested in practical use together with a number of industrial partners.
