The DAV has full-time employees at every VA regional office and many hospitals, as well as specially trained transition service officers at dozens of military installations, including Walter Reed Army Medical Center, to make the military-to-civilian transition smoother for separating service members, particularly those who suffer devastating injuries like Capt. What do you want to get out of it mentally, physically, socially and spiritually. Studies show

that in the US it is more likely that a single mother will co-residence with the Grandparents. Those precious moments of repose, of resting with the Lord in prayer, are moments we might wish to prolong.
