Mary's Resurrection: The end of the earth

Perulon Population The Triarchy of Perulon is a gargantuan, socially progressive nation, ruled by the Triarchs with a fair hand, and renowned for its smutty television, multi-spousal wedding ceremonies, and devotion to social welfare. All these increase male libido and help men maintain an erection.

Thinking About Law: In Silence With Heidegger

Chapter 5 attempts to trace the history, from Thales through Parmenides to Aristotle, of the Parmenidean logic of contextual variability, of the method of variation, and of the theory of negative language attributed to Parmenides in the first four chapters, thus to situate his thought in its immediate historical context while showing that later developments can be predicated retroactively in his terms. A woman, a man, guests at an evening party.
