BennJamesR.Majunke's "Luther's Lebensende" is meant. This might occur if a civil servant with access to state secrets is believed to be involved in a sexual liaison with a member of a foreign intelligence agency. Another study was reported to have found that artificial intelligence was as good as trained doctors in identifying skin cancers. I opt to re-read this classic once. Great book for all ages. I was given the news by a police chaplain late that night.

And who had not rather have been the good thief, than Pilate. Excellent, readable book, with nice hard cover and with lots of info and lots of great pictures of my favorite breed.
